Dear Jim and Ira:

Thank you for your efforts in developing the Computer Game Design Major and presenting it to our faculty last Fall.

The Film and Digital Media Department approves the Charter of the Computer Game Design major, and is pleased to be a participating department in this effort. In particular, we agree with the "Resource Needs" and "Class Access" provisions of the Charter. We look forward to working with your arriving majors in our digital media classes.

Sincerely,
Chip Lord
